MEMORANDUM FOR: The Record

SUBJECT : Labor Program PBSUCCESS

1. Upon the suggestion of CPP the proposed labor program for PBSUCCESS was discussed with Messrs. [] of the IOD.

2. No basic objections were raised as to WH proceeding on the development of labor assets in Mexico as outlined in the program. Some concern was manifested, however, that KUBARK might cross paths with the SCHILLER organization which has recently concerned itself with the situation in WSBURNT.

3. [] believed that he could find out to a degree what the SCHILLER group was doing about the WSBURNT situation. In addition [] thought it advisable to find out what actions Mr. Dulles had taken or plans to take prior to implementing any program through PBPRIME labor.

4. Church contacts that might be utilized to supplement the PBSUCCESS KUCOWN program was discussed. The undersigned suggested that WH ideas on the subject with a suggested course of action be presented to [] for their consideration and action. Approval is requested for this action.
